CEFR-aligned mediation rating scales: the case of Andalusian Official Schools of Languages

Presenters

Ángel Díaz Cobo, Official School of Languages Cádiz

María Deseada López Fernández, Official School of Languages Estepona, University of Málaga

Antonio Romero Rodríguez, Official School of Languages Cádiz

Biodata

Ángel Díaz Cobo is an EOI teacher (1988-present), and Associate teacher of Spanish as a FL at Warsaw University and Cervantes Institute in Warsaw (2007-2010). He researched and published on Continuous Assessment at EOI and on using CEFR-based rating scale assessment tools for Spanish CLIL courses (2008). He coordinated a European Language Label-awarded EOI teaching project (2004), developed the Andalusian EOI language curriculum, wrote EOI official certification exams and contributed to its rating scales design. He trains initial/in-service teachers on language evaluation, rating scale assessment and mediation.

María Deseada López Fernández is an EOI teacher (2016-present). She is a lecturer (2016-present) and PhD Candidate in the Department of English, French and German at the University of Málaga and a tutor for the National Distance Education University (UNED) (2010-present). She participated in the development of the current curriculum for Andalusian EOI and writes official certification exams for EOI in Andalusia.

Antonio Romero Rodríguez is an EOI and Secondary School teacher (1998-present). He is currently the coordinator of the EOI official certification exams (2016-present). He has also participated in the development of the curriculum for Andalusian EOI and in the creation of the exam rating scales. He trains initial/in-service teachers on language evaluation, rating scale assessment and mediation.
